BIBLE APP INFORMATION

You can find this Bible reading plan on www.youversion.com, or download the YouVersion Bible app to your device. Then go to Bible reading plans and look for “Whole Bible”. After that you can find “The Bible in a Year”. This is the picture that is on that plan ...

2018 Bible Reading (365 Days).

2018 Bible Reading (365 Days). We will be using the “Bible in a Year” plan from the youversion app. This plan is provided by the American Bible Society. On January 1 go to the Bible App and choose “the Bible in a Year” plan. This plan blends some Old and New Testament scriptures plus the poetic books every day. The Old Testament follows the canonical order through the historical books. The poetical books and prophets are divided out daily. The New Testament skips around but by the end of the year you will have completed the entire Bible. You will then be in sync with the rest of the church. Pastor Bobo will once again this year preach each Sunday morning from the previous weeks reading along with some special messages and series from time to time.
